

## MEMO

**TO:** Member Clubs and Associate Member Centres  
**FROM:** Chief Executive  
**SUBJECT:** Membership Fees for 2017/18  
**DATE:** 28 November 2016

---

At the Athletics New Zealand Board meeting on Friday 25 November a discussion item was to set the membership fees for the 2017/18 membership year. I was in a position to provide advice that declared membership numbers are tracking to budget and that we expect to meet budget come 31 March 2017.

With this knowledge, it is pleasing to be able to advise the Board made the decision that the membership fees will remain the same as for the current 2016/17 year, being:

Membership Category	Category Description	Fee (inc gst)
Active member 6 years & under	Children born in 2011 or later who are participating in Club Nights and/or activities.	\$5
Active member 7 to 14 years	Members born between 2003-2010 who are participating in Club Nights and/or Club Runs and other Competitive activities.	\$30
Competitive member* 15 to 19 years	Members born between 1998-2002 who participate in any activities the Club and Centre may offer that are generally considered of a competitive nature.	\$45
Competitive member* 20 years & over	People born in 1997 or earlier that participate in any activities the Club and Centre may offer that are generally considered of a competitive nature.	\$60
Social member** 15 years & over	A Social Member is defined as a Club Member over the age of 15 who only participates at Club Nights and Club Runs and this generally does not include competitions offered through their Centre or Interclub Competitions.	\$30
Volunteer	Volunteers are defined as people that give their time freely to the Club but don't take part in the Club Nights and Club Runs as a participant.	\$0

\*An 'activity of competitive nature' could include Inter-Club Events, Centre Championships, etc.

\*\*Some clubs have 'friendly, non-competitive runs', these are considered to be social for membership purposes.

Membership fees make up a vital part of Athletics New Zealand's income which allows us to support centres, clubs, coaches and officials through a number of development opportunities and tools all with the aim of members having a great experience in our sport. As such we thank you for your ongoing support.

Best regards,

Linda Hamersley  
Chief Executive
