

Information for Competitors

General Information

Meeting Administration:

The meeting is controlled by the Meeting Manager.

The Technical Information Centre (TIC) is located in front of the common room at the eastern end of the grandstand.

Presentation of Sponsors Prizes:

These will be presented shortly after the completion of the event.

The presentation area is located in the infield in front of the grandstand.

Protests and Queries:-

Protests about results must be made firstly orally to the appropriate Referee.

If the Referee is not available, protest is to be made through the TIC on the appropriate form.

The Referee's decision may be appealed to the Jury of Appeal in writing and on payment of \$50.

Protests and Appeals must be made within 30 minutes of the announcement of the official results or referee's decision

First Aid/ Physio/ Ice available from the First Aid tent located at the end of the home straight.

Massage: Available on a user pays basis adjacent to the First Aid tent.

Changing Rooms/Showers/Toilets. Located below the grandstand.

Entry to the stadium for athletes and officials is through the eastern gate near the gear shed.

Reporting for Events

Entry Confirmation: Athletes must report to the **TIC** no later than 45 minutes prior to their start time of their event. Early advice of a scratching is appreciated.

Reporting Requirements:

Track Events: Athletes must report to the Starters Assistant no later than 15 minutes before the scheduled start time for their event. Hurdlers must report to the back straight for final phase warm ups 20mins prior to their event.

Field Events: Athletes must report to the Chief Recorder **no later than 20 minutes** before the scheduled start time for their event. This is to allow adequate time for checking of competitors before warm-up throws or jumps can take place. You can report earlier if the officials are at the event site.

Competition Rules/Information

General

Age of eligibility to compete: Subject to performance ability, the youngest competitor allowed to compete in Senior Events must be aged 16 on December 31 2020. In Under 20, Under 18 and Para events the youngest competitor must be aged 15 on December 31 2020. In the Boys and Girls short hurdles the youngest competitor must be aged 13 on December 31 2020. In the schools events the NZSSAA age rules apply. Competitors must be aged 13 to 19 on December 31 2020.

Conduct of Events:

Competition will be held under IAAF rules unless specific ANZ rules apply. The LOC reserves the right to limit the number of entries in any event, and if necessary, this will be determined by the Athletics NZ and Oceania Ranking lists.

Permit D events will be Senior grade only except in the Men's Discus (see below). Throwing implements for the Permit D events will be Senior weights only except in the Men's discus (see below). For Permit D field events the top eight athletes after the first 3 rounds will receive a further 3 trials.

A mixed Senior and Under 20 competition will be permitted in the Discus with the Under 20 weight allowed for Under 20 athletes. Entry to this event is restricted to athletes aged 16 and above and the 45m standard applies to both grades. The top eight seniors and the top four Under 20 athletes after the first 3 rounds will receive a further 3 trials.

Non Permit D track and field events will be open to the ages above as per the programme. In field events progression for the final 3 rounds shall be top 8 regardless of grade including Para athletes. PARA throwers will compete with their normal implement weights.

Clash of Events: Track events take precedence over field events.

Competitors must get permission from the Chief Judge to leave the field event to go to another event.

Competition Bibs:

All competitors (except Secondary School athletes) will be issued with two competition bibs to be worn on the front and back of their competition top (except for all jumps where one bib only may be worn on the front or the back). Secondary School athletes will have one bib worn on the front of their competition top. Numbers must be fully visible at all times when competing.

Spikes: Pyramid/cone and Christmas tree shapes permitted. No Needle or Pin spikes allowed. Maximum length is **6mm**, except for javelin and high jump where a maximum of **9mm** is allowed

Personal Implements

Personal implements must be checked into the Technical shed at least 2 hours prior to the relevant event, and must be collected from the Technical shed post competition. This is particularly important for javelins. By arrangement, check in for javelins the day before would be appreciated. A throws competitor may not check in more than 2 implements for their competition.

Safety Issues

Access to the competition Area.

The competition area is defined as the area inside of the pipe and rail fence that runs around the perimeter of the track. The only persons permitted access at all times are athletes competing in an event, at the time, and officials conducting the event. Prior approved persons may enter the competition area and will be required to wear distinctive safety clothing. These persons must present themselves to the meeting manager prior to entry .e.g. Press, Biomechanists.

Athletes and Officials must not cross the inner competition area or the main straight for any reason. To reach your competition area you should go around the outside of the track to a point which allows you to cross the track and the infield to your competition area by the shortest route.

Warm Up areas.

EXCEPT for authorised warm-up throws or jumps under the control of field event officials prior to events, warming up must **NOT** take place in the competition area. The warm up areas are the playing fields close to the stadium (track warm ups on the football field behind the stadium, throws warm ups on the field to the east of the arena) Final phase hurdles warm ups will be allowed on the back straight under the management of Officials.

When warming up outside the competition area it is the athletes individual responsibility to ensure warm-up activities do not endanger themselves, other competitors or members of the general public. Be aware this is Public Park with no restriction on access.

During warm-up throws, athletes using the external throwing area must be accompanied by another person acting as a lookout for potential danger.
